Bangalore.

Sir,

With reference to Government Order No. 3345-7 Med. 71-21-10 and para 3 of Government No. L.3886-8 Med. 71-21-12 dated 9th December 1921, and 7th Jan. 1922 respectively, I have the honour to forward herewith a copy of letter No. 221 dated 26th Feb. 1924 received from the Principal Medical School, Bangalore, proposing a slight modification of the arrangement therein sanctioned, viz to retain the scholarships at Rs.90/- each per annum and from the balance of the annual interest earned to give two medals of the value of Rs.44/- each one for Medicine and the other for Surgery. The Proposal made by the Principal may be sanctioned as it will stimulate the interest of the students both on medicine and Surgery instead of only in medicine.

I have the honour to be,

Your most obedient servant,

H. B. Mylvaganam

Senior Surgeon.

Letter no. 221 dated 26th Feb. 1924 from the Principal Medical School Bangalore, to the Senior Surgeon in Mysore, Bangalore.

I have the honour to bring to your notice that Government in para 3 of their order No.L. 6886-8 Med. 71-21-12 dated 7th Jan.1924 regardint Dr. C. A. Nanjappa Medal and Scholarships, have ordered that the increase in the yeild of interest may be utilised for increasing the amount of scholarships awarded to the students which as per the original G. O. No. L. 3345-7 Med. 71-21-10 dated 9th December 1921 was fixed at Rs.90/- per student. According to the above order three scholarships at the rate of Rs.90/- per annum and one gold medal for proficiency in Medicine at a value of Rs.48/- takes away Rs. 318/- leaving a balance of Rs.40-7-3 annual. The division of this extra amount between the 3 scholarships would given an odd sum of Rs.13-7-10 for each. Instead of the above with the balance available at present I propose that an abverse die may be sunk retaining the revers the same as the Medial in Medicine and thus make tow medals available every year each costing Rs.44/- one for Medicine and the other for Surgery.

In the light of the above representation I request you to kindly address the Government for a modification of their order accordingly at an early date.

Secretary to Government,

Sir,

In reply to your letter No.L.7871 dated the 2nd April 1924, I have the honour to state that the actual half-yearly interest on the endowment comes to Rs.179-3-10 so that the annual interest is Rs.358-7-8.

The order of Government regarding the utilisation of the surplus in granting increased rate of scholarship was not given effect to as the surplus is a variable item depending on the cost of the medal which would depend on the market value of gold and it would not be convenient to vary the rate of scholarship. It was also in contemplation to suggest the present modification in the disposal of the interest.
